A Sample of On-Demand Purchases

March 2011
Borrow or Buy

- Esoteric
  - Wanted by professor to review
  - Does not support curriculum

- Supports curriculum
  - Adheres to collection development policies
  - May have ‘lasting value’
Some requests purchased have not been picked up
Amazon and in-stock only
Budget line items overspent
Points to Ponder

- Good process and procedure to avoid trouble
- Consider backups
- Common sense can help avoid slow-downs in process
- Get feedback from all staff
